Crispy, freshly baked light or dark bread from Desemenzo. Warm croissants and kaiser rolls fresh from the oven. Sweet and savory toppings. Scrambled eggs with crispy bacon and sausages. Farmer's yoghurt with healthy breakfast cereals and fresh fruit. Wide choice of juices and, of course, our fragrant Post-Plaza coffee and tea. Really too much to mention.

Feel like a freshly fried free-range egg and/or french toast made with Frisian sugar loaf? Simply order it from our open kitchen.
