POST-PLAZA HOTEL & GRAND CAFÉ

A unique Hotel and Grand Café, located in Leeuwarden's old Post Office. Of Post-Plaza there is only 1. Nothing is standard and we have thought about every detail. With us, it's all about the story and the experience. After all, if you have been our guest, we want you to let the home front know not only how cool the city of Leeuwarden is, but also that you have been in Post-Plaza.

LEKKER ITE!

You come to us to eat well and not to dine. Like in a classic French brasserie, we serve dishes on large platters. Generous, but all on one plate. We call it no frills.

Jarst, our chef, likes to cook with influences from European cuisine, with occasional forays outside these borders as a team. For the sole reason that we go for the tastiest and very best dishes!

Using beautiful products from Dutch soil, our kitchen team prepares surprising and delicious dishes that are also good for the environment. Full of passion, craft and love for the trade, the team puts together a special menu every season, entirely according to the principles of Dutch Cuisine.

Lekker ite!

WHEN BUSINESS MEETS PLEASURE

As true Leeuwardeners, we know exactly where to find the hotspots of our city and province. Whether you are having a business meeting or just socialising, we will make sure your activity perfectly suits the purpose and atmosphere of the day. During a personal meeting, we will be happy to think along with you and suggest activities that really make an impression.

An example? **Praam sailing in Leeuwarden!** Board a cosy praam or rent a Greenjoy boat and discover the city from the water. Glide past picturesque canals and historic bridges - the ideal way to experience Leeuwarden in all its splendour. Let's sail and explore!

Our city garden: a lovely place to hang out during both the summer and winter months.

- summer party, winter party, drinks, brunch, lunch or dinner
- bbq sharing or walking dinner
- the connection between Post-Plaza and Vie Via
- suitable for 10 to 250 people

SLEEPING IS AN AFTERTHOUGHT

Every detail has been thought through, from bedside lamp, pillow, socket to television. In all 82 hotel rooms, the best bed, a fantastic rain shower and WIFI. We think that's the most important thing! When you stay at Post-Plaza, you don't come just to sleep but mainly to discover the city of Leeuwarden. In a city hotel, you don't want to stay in your hotel room. Certainly not if you have seen the Grand Café of Post-Plaza.

VIE VIA | YOUR HOTEL

By September 2022, Post-Plaza will have expanded by 74 bedrooms. We transformed the adjacent former telephone and administration office of the PTT into a completely new hotel with its own unique concept: Vie Via I Your Hotel. 74 perfect rooms from which to discover Leeuwarden, cleverly designed to meet the needs of the independent traveller. Here we offer fresh rooms with all the essentials; an excellent bed, a luxurious rain shower, fluffy towels, big windows en superfast Wifi.

DIGITAL KEY

Instead of queuing at reception, you will receive an email with your digital key. No check-in necessary! But, if desired, we can also create an old-school room pass.

LIVING ROOM

Meet in the living room after a day of intensive meetings or before discovering the nightlife of Leeuwarden with your colleagues. Just meet, discover and live.

HOST

You will find our host in the living room and in the shop. He/she can help you with questions, tell you about the hidden gems of Leeuwarden, or you can contact him/her to share your experiences.

SHOP
